## parental consent form for information, works and media

PrintLab International Ltd is a UK based company that develops 3D printing curriculum for schools, libraries and other educational organisations. Our flagship product is PrintLab Classroom - an online platform of lesson plans and learning resources that teach students how to use 3D printing to address global challenges. Our vision is to modernise education worldwide and provide young people with industry-relevant skills to flourish in the future.

We are therefore seeking your consent to process and use information and media, in relation to your child or the child whom you are the legal guardian to.

---

I consent to information, works, images and/or video footage of my child being published on PrintLab's website, social media accounts and other related methods of education or promotion.

---

I, \_\_\_\_\_ (print full name) have read this form and hereby consent to the above ticked activities in relation to my child, \_\_\_\_\_ (print full name of child).
