

PrintLab International Ltd is a UK based company that develops 3D printing curriculum for schools, libraries and other educational organisations. Our flagship product is an online platform of courses and projects that teach students how to use 3D printing to address global challenges. Our vision is to modernise education worldwide and provide young people with industry-relevant skills to flourish in the future.

To use PrintLab’s learning materials, no student data or personally identifiable information is required. However, should students wish to participate in PrintLab’s Certification Program to obtain certificates and digital badges that can be showcased to employers/educational institutions, we must collect a minimal amount of data. This includes full names, email addresses and evidence of their work within design portfolios.

We are therefore seeking your consent to process and use information and media, in relation to your child or the child whom you are the legal guardian to. Please tick the relevant boxes below, which indicate the activities you consent to, before filling in and signing the form details.

I consent to my child submitting their full names and email addresses as part of PrintLab’s Certification Program.

I consent to PrintLab International Ltd using the work, images, and/or video footage of my child on websites, social media, newsletters and other related methods of education or promotion (optional).

Data Protection and Rights:

- Your child’s personal data will be securely stored and only used for the purposes of PrintLab’s Certification Program.
- You have the right to withdraw your consent at any time, and we will delete your child’s data from our systems upon request.
- We may share your child’s data with trusted third parties (Badgr-<https://badgr.com/>) solely for the purposes of issuing and verifying digital badges.
- This consent applies to children under the age of 16.

I, _____ (print full name) have read this form and hereby consent to the above ticked activities in relation to my child, _____ (print full name of child).
